Re agenda item 5:

The Board of Directors proposes that the General Meeting discharge the Board of Directors and the Executive Management from liability.

Re agenda item 6:

The Board of Directors has submitted the following proposals:

- 6.1 Reduction of the Company's share capital.
- 6.2 Authority to the Board of Directors to let the Company buy back treasury shares.
- 6.3 Amendment to article 5.1 of the Company's Articles of Association.
- 6.4 Amendment to article 6.8 of the Company's Articles of Association.
- 6.5 Authority to the chairman of the Annual General Meeting.

Re agenda item 6.1

The Company launched a share buyback programme of up to a maximum consideration of DKK 3,900 million in 2015. The purpose of the share buyback programme is to reduce the Company's share capital and to meet its obligations under the share option programmes for the Company's employees. The Board of Directors proposes to reduce the Company's share capital to the effect that a part of the acquired treasury shares are cancelled while the remaining part of the acquired treasury shares are maintained by the Company for the purpose of fulfilling the Company's obligations in connection with the incentive programmes for the Company's employees.

The share buyback programme was implemented in the period from 17 February 2015 to 31 December 2015. Reference is made to the company announcements available on the Company's website www.pandoragroup.com.

Against that background, the Board of Directors proposes that the Company's share capital be reduced by a nominal amount of DKK 5,240,348 by cancellation of a nominal amount of DKK 5,240,348 treasury shares of DKK 1, equal to 4.3 % of the Company's total share capital. Under section 188 of the Danish Companies Act it is stated that the purpose of the reduction is to cancel a part of the Company's portfolio of treasury shares. According to the Danish Business Authority's practice, this purpose may be compared to a capital reduction to be distributed to the shareholders, see section 188(1)(ii) of the Danish Companies Act. In that connection, the Board of Directors states that the shares have been acquired at a total amount of DKK 3,588,289,453.69 to the effect that, in addition to the nominal reduction amount of DKK 5,240,348, an amount of DKK 3,583,049,105.69 has been distributed. Following the capital reduction, the Company's nominal share capital will be DKK 117,056,821.

As a result of the share capital reduction, it is proposed that article 4.1 of the Articles of Association should be amended to read as follows after expiry of the time period prescribed in section 192 of the Danish Companies Act:

"The Company's share capital is nominally DKK 117,056,821, divided into shares of DKK 1 or any multiple thereof."

Before the implementation of the capital reduction, the Company's creditors will be requested, through the Danish Business Authority's IT system, to file their claims within a time limit of 4 weeks, see section 192(1) of the Danish Companies Act. Under section 193(2) of the Danish Companies Act, the Danish Business Authority will automatically register the implementation of the capital reduction and the resulting amendment to the Articles of Association as being final 4 weeks after the expiry of the time limit for the creditors' filing of claims at the earliest or, at the request of the Board of Directors, on any date after the expiry of the time limit for the creditors' filing of claims unless the implementation at such time cannot take place under the provisions of the Danish Companies Act.

Re agenda item 6.2

The Board of Directors proposes that the General Meeting authorises the Board of Directors to, in the period until 15 March 2021, allow the Company to acquire treasury shares up to an aggregate nominal value of 10 % of the Company's share capital, provided that the Company's holding of treasury shares does not at any time exceed 10 % of the Company's share capital. The purchase price paid in connection with acquisition of treasury shares must not diverge from the price quoted on NASDAQ Copenhagen at the time of acquisition by more than 10%.

Re agenda item 6.3

As a consequence of a recent amendment of the Danish Companies Act which entered into force on 1 July 2015, implying that it is no longer possible to issue shares in the name of the bearer, the Board of Directors proposes that the Articles of Association should be amended to the effect that the status of the Company's shares is changed from being issued to the bearer to being issued in the name of the holder. The proposed new wording of article 5.1 of the Articles of Association is as follows:

"The Company's shares shall be issued in the name of the holder and shall be registered in the names of the holders in the Company's register of shareholders. The shares shall be negotiable instruments."

Re agenda item 6.4

Subject to amendment of article 5.1 in the Articles of Association in accordance with agenda item 6.3 above, the Board of Directors proposes to amend the wording of article 6.8 of the Articles of Association due to the fact that it is not required that the notice convening the General Meeting be made via the Danish Business Authority's it-system when the shares are issued in the name of the holder. The proposed new wording of article 6.8 of the Articles of Association is as follows:

"General meetings will be convened by the Board of Directors, giving not less than three and not more than five weeks' notice, by advertisement on the Company's website www.pandoragroup.com and by e-mail sent to all registered shareholders having so requested."

Re agenda item 6.5

It is proposed that the chairman of the Annual General Meeting is authorised to make such amendments and additions to the resolutions passed by the Annual General Meeting and to the application for registration with the Danish Business Authority as the Authority may require for registration.

Re agenda item 7:

Pursuant to article 11.1 of the Articles of Association, the Board of Directors shall consist of 3 to 10 board members elected by the General Meeting. All members of the Board of Directors elected by the General Meeting stand for election at the Annual General Meeting.

The Board of Directors currently consists of the following 9 board members elected by the General Meeting: Peder Tuborgh (Chairman), Christian Frigast (Deputy Chairman), Allan Leighton (Co-Deputy Chairman), Andrea Dawn Alvey, Ronica Wang, Anders Boyer-Søgaard, Bjørn Gulden, Per Bank and Michael Hauge Sørensen.

The Board of Directors proposes re-election of the current 9 board members and election of Birgitta Stymne Göransson.

The composition of the Company's Board of Directors reflects the skills and experience which is deemed required to manage a public listed company. The Company aims at composing the Board of Directors to consist of persons who possess the professional skills and international experience required to serve as a board member.

A detailed description of each of the board candidates and information on their managerial posts is attached hereto as [Appendix 1](#). The description is also available on the Company's website www.pandoragroup.com.

If the proposal is adopted, the Company's Board of Directors will consist of Peder Tuborgh, Christian Frigast, Allan Leighton, Andrea Dawn Alvey, Ronica Wang, Anders Boyer-Søgaard, Bjørn Gulden, Per Bank, Michael Hauge Sørensen and Birgitta Stymne Göransson.

Re agenda item 8:

The Board of Directors proposes re-election of Ernst & Young P/S as auditor of the Company.
