#### About Chr. Hansen

Chr. Hansen is a leading global bioscience company that develops natural ingredient solutions for the food, nutritional, pharmaceutical and agricultural industries. We develop and produce cultures, enzymes, probiotics and natural colors for a rich variety of foods, confectionery, beverages, dietary supplements and even animal feed and plant protection. Our product innovation is based on more than 30,000 microbial strains - we like to refer to them as "good bacteria." Our solutions enable food manufacturers to produce more with less - while also reducing the use of chemicals and other synthetic additives - which makes our products highly relevant in today's world. We have been delivering value to our partners - and, ultimately, end consumers worldwide - for more than 140 years. We are proud that more than 1 billion people consume products containing our natural ingredients every day.
