Management report

Overview of business areas

The main business activity of Trigon Property Development AS is real estate development. As at 30.06.2020, AS Trigon Property Development owned one development project with an area of 21 hectares in the City of Pärnu, Estonia. An industrial and logistics park is planned to be developed on this area. The Company's objective is to find companies willing to bring their business activities (industry, logistics) to the development project area of AS Trigon Property Development in Pärnu, which would add value to the land plots owned by the Company. The realisation of the value of the land is planned through the selling of land plots or through the development of real estate with the intention of creating a rental income-generating project.

In the third quarter of 2019 a 0.5-hectare property at the price of 75 000 euros was sold.

In the second quarter of 2020 a 0.7-hectare property at the price of 65 000 euros was sold.

In 2016, a new detailed planning was made for the property, under which the proportion of business property with respect to all the land has increased compared to the previous planning. New established detailed planning has also increased the flexibility regarding the partial selling of the property as compared to the previous detailed planning since the plots are smaller and there is flexibility to change the size of the plots as required.

Management

The law, the articles of association, decisions and goals stated by the shareholders and the Supervisory Board are followed in the managing the company. According to the Commercial Code, a resolution on the amendment of the articles of association shall be adopted, if at least two-thirds of the votes represented at the general meeting are in favour of the amendment.

Personal

AS Trigon Property Development had no employees as at 30 June 2020 and 30 June 2019. There were no labour costs in first 6 months of 2020 and 2019.

Description of main risks

Cash flow and fair value interest rate risk

As the Company has no significant interest-bearing assets and liabilities, its income and operating cash flows are substantially independent of changes in market interest rates. The change in market interest rates has indirect influence to the change of fair value of investment property, but the influence to the change of fair value of investment property is difficult to quantitatively evaluate.

Management and Supervisory Boards and auditor

Management board of AS Trigon Property Development has one member - Rando Tomingas.

Supervisory Board of AS Trigon Property Development has three members: Joakim Helenius, Torfinn Losvik and Alo Lepp.

Audits are carried out by PricewaterhouseCoopers AS.

As at 30 June 2020, the Company owns one real estate development project involving a 21-hectare (31 December 2019: 21-hectare) area in the City of Pärnu, Estonia.

In June 2020 a 0.7-hectare property at the book value 60 thousand euros was sold which gain on sales of investment property was 5 thousand euros.

The expenses related to the management of investment property totaled 6,335 euros in the first 6 months of 2020 and 7,311 euros in the first 6 months of 2019 (note 6).

In 2016, a new detailed planning has been established for the property under which the proportion of business property in respect of all the land has increased compared to the previous planning. New established detailed planning has increased the flexibility for the partial selling of the property as compared to the previous detailed planning, the plots are smaller and there is the flexibility of changing the size of the plots, as required.

In the third quarter of 2019 a 0.5-hectare property at the price of 75,000 euros was sold.

In the second quarter of 2020 a 0.7-hectare property at the price of 65 000 euros was sold.

In 2019, the investment property was valued by the external independent appraiser using the comparable transactions approach. Management estimates the fair value of the investment property more conservative using the lower price range of appraiser's evaluation and getting the average selling price of the investment property at 18.26 EUR/m². To evaluate the present value of the area as at 31.12.2019, the sales period has been estimated to be 4 years and discount rate 12%.

As at 31 December 2019, the evaluation resulted in a fair value of 2,036,000 euros.

According to IFRS 13, the valuation of fair value of real estate is considered level 3 investment. The main inputs are the sales price, the discount rate and the sales period in the discounted cash flow. Sensitivity of the main inputs to investment property fair value as of 31.12.2019:

The property valuation is based on estimates, assumptions and historical experience adjusted with prevailing market conditions and other factors which management assesses to the best of its ability on an on-going basis. Therefore, based on the definition and taking into account that evaluation is based on a number of presumptions, which may not realize in assessed way, the valuation can be subject to significant adverse effects. This could lead to a significant change in the carrying amount of investment property in future periods. The fair value of the investment property, which is assessed using the described model is essentially dependent on whether this project could be accomplished and appropriate financing found in compliance with the presumptions made and schedule used in evaluation model.
