

# How to participate in HansaMatrix shares auction?

Do you have a securities account in a bank?

In order to participate in the auction, you need to submit your bid order(s) to your bank stating the fixed price, volume and other parameters as the bank requests.

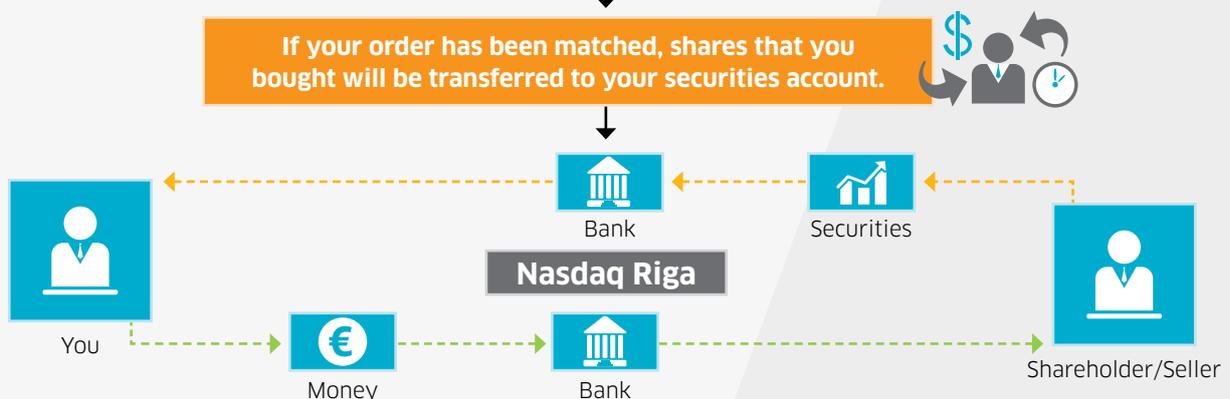

March 22 - 24

Remember! During the auction you can both cancel the existing orders and enter new ones by adjusting the parameters of the order.

If your order has been matched, shares that you bought will be transferred to your securities account.
